

RADIATION PROTECTION GLASSES

INFAB offers a complete array of lead glass eye protection and lead glass fitover frames. These attractive, stylish frames all meet the industry standard of 0.75mm lead equivalency radiation safety glass. Lead glass lenses provide protection from harmful radiation exposure.

PRESCRIPTION

We offer plano, single vision, bifocal, and bifocal progressive options.

FRAMES

Wide variety of frames from top designers for all face sizes.

PERSONALIZATION

Add your name to your glasses frame.

PROTECTION

All lead glasses have .75 mm LE protection, including front and side protection models.

 **NIKE FRAMES**

Complete line of Nike frames, constantly updating. Check for availability.
